Docket No. 98N-1265  
Food and Drug Administration  
5600 Fishers Lane  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I am a Registered Dietitian working in the Health Care Field. I live in a rural area of North Carolina. I have always had trouble with PMS, and this became much worse after my 2 children were born. I finally found relief from this by using Natural Progesterone. I had to do extensive research to find a treatment and company to provide this.

I, with my physician's approval & prescription, am able to order the Natural Progesterone from a pharmacy that specializes in Women's health, in Madison Wisconsin. Not only is the product available, but I am able to pay only a co-pay-ment of \$20.00 thru my insurance company.

This is a wonderful service and has improved my physical & emotional well-being. Please do not limit the ability of women to be able to access much needed pharmaceutical resources!

Thank you, Rita Douglas, RD, LDN
